Word Study: Other Uses

Trace one word through Scripture and watch the pattern appear.

THE WORD

ORIGINAL WORD

Definitions tell you what a word could mean. Usage shows you what it does mean, in the hands of the writer you are reading. List every place you find it, then look at the column as a whole.

REFERENCE	HOW IT IS USED THERE

The pattern I see

THE STEP THAT KEEPS IT HONEST

What this word does NOT mean here:

- Resist loading the word with every sense it carries somewhere else.
- A word in a sentence means one thing at a time.
